

OUR CORE VALUES

OUR VALUES DEFINE OUR CULTURE.

Special thanks to the 2020 Values Project Focus Group: Derek Anderson, Zarek Boutaghou, Kim Beckman, John Duhring, Aaron Ekstrom, Lisa Elmhurst, Amy Jimenez, Edwin Manrique, Michael McCarty, Nicolas Post, Josiah Reamy, Caleb Swanson, Phu Tran, Roberto Yanez

RABA KISTNER'S STRONG VALUES AND SOUND OPERATING PRINCIPLES ARE THE FOUNDATION OF OUR SUCCESS FOR MORE THAN 50 YEARS.

Originally, the company's values reflected the personal values of our founders. Over the years, we've become a much bigger and more geographically dispersed organization, while expanding into additional areas of expertise. Today our company includes more people, with a multitude of personal experiences and diverse cultural backgrounds. This growth calls for a renewed commitment to identifying the core values that unite us.

More than 200 employees participated in the process leading us to these Raba Kistner values. A smaller focus group representing each service line and a diverse range of opinions and experiences, spent time together discussing, debating and deciding on five words that define who we are and help guide who we want to be.

We welcome your continued input as we further develop the strategies and actions to live these values every day across the Raba Kistner enterprise.

Working together, using our purpose statement, strategic plans and core values to guide us, we will achieve continued success both for our company and for each of us individually.

—Raba Kistner Executive Committee
